Employers Invited to Oct. 6 Job Fair

FAYETTEVILLE – The Cumberland County Department of Social Services Work First Program and the Workforce Development Center, along with other community partners, are seeking employers to participate in an upcoming job fair on Oct. 6 from 9 a.m. to 2 p.m. at the Crown Expo Center on East Mountain Drive.

The Work First Program, in partnership with Fayetteville Technical Community College, City of Fayetteville Community Development, Beasley Broadcast Group, Fayetteville-Cumberland County Chamber of Commerce, Hardee's, Fayetteville PWC and the Workforce Development Center, are proud to be presenting the 12th Annual "Fall Into Work" Job Fair, which is free and open to the public.

The event provides a great opportunity for employers to find new employees as well as advertise their businesses. Last year's job fair at the Crown featured 98 employers and drew more than 4,500 job seekers. The booth space is free and is equipped with wireless Internet access.

For more information and to sign up for a table, call Robert Relyea at 677-2222 or Bill Kiser at 677-2177. Please respond by or before Sept. 24 as space will fill up quickly.
