**ADDENDUM # 1 – REQUEST FOR PROPOSALS FOR PROFESSIONAL PROJECT  
MANAGEMENT SERVICES  
FOR DISASTER RECOVERY PROGRAMS**

**DUE DATE AND TIME:      MAY 18, 2018; 4:30 P.M.**

The Request for Proposal bid documents are hereby modified per the attached Addendum #1 dated May 8, 2018 to include the following:

1. **Question:** Regarding the CDBG-DR Program, which of the eight steps will the State team administer/manage and which will the procured contractor administer?

**Answer:** The State will manage Steps 2-3; it is proposed the selected project management services firm(s) will manage Steps 4-8.

2. **Question:** Given the fact that some project/program activities are not fully defined, will the County/City accept alternative pricing models such as unit pricing models as the same is preferred for federal recovery projects?

**Answer:** The request for proposals include the current projects, activities and the general scope of services that will be provided. It is indicated in the RFP page 9 "Overall costs of provided services include project delivery breakdown by county and city projects."

The foregoing changes will be incorporated in the Request for Proposal bid documents and a copy of the Addendum #1, signed by the Bidder, must accompany the Bid to indicate the Bidder's familiarity with the changes.
