Agenda Item 2. Introductions

Louis Leeke, Review of Overdose Data, ED Visits Data, Fentanyl Report

- We will revisit this data at the next meeting
- There is no update right now

Orlando Smith, Recovery Housing Support

- Funding – BJA has been replaced
- As of January 6, we have funding available for recovery housing
- Open to other housing, need to become a vendor with the county before they can receive payment
- County settlement dollars need to be used towards Cumberland County residents

Tara Tucker, Cape Fear Valley Community Paramedic

- No update

Casey Perry, Camp Rockfish Camp and Retreat (need to do this)

- Continuing planning with camp hill
- Working on daily schedule for the campers and what will be provided
- Campers will have year-round care
- Still working on language for confidently forms
- Suicide prevention education for camp staff will be provided
- Working on logo as well
- After school care offered to 9 different schools
- Looking to acquire more 16–18-year-olds in positions

Louis Leeke, CTC Opioid Settlement

- 35 unique individuals
- 90% has been transportation
- 5% received bus passes or Medicaid transit
- Tuition assistance for 2 individuals
- This month has started out slow
- We believe this is because more people have become independent
- Finished the report last week and will share success stories there

Courtney McCollum, CCJS Opioid Settlement

- No update today

Heather Sroka, Healing from Within

- No update today

Barbara White, Mid-Carolina Regional Council

- (name of person)
- Regina Smith, helping with kinship care program
- January 9th was first meeting, 2 people attended
- January 14th had contact with Cumberland County school district
- Awareness of the program is growing
- March 7th – event at the senior center in the Cliffdale area

Amanda Klinck, Myrover Reece Opioid Settlement

- MOUD conversations with NC Star
- Programs adjustments
- Chris Butnik is coming down from Raleigh
- 72 hours enrollment, 24/7 supervision
- VA/veterans
- 38 beds
- Hopefully breaking ground on a women's house in the spring

Charlton Roberson, NCHRC Opioid Settlement (25 min mark)

- (need these stats)
- Redistributed syringes (number)
- Narcan kits IM and nasal kits – overdose reversals
- Fentanyl test strips
- Xylazine test strips

Regina Williams, Administrator Recovery Resource Center

- 109 Clients so far in January
- The services that brought in clients this month are:
- Women for Wellness
- Carolina Treatment SMART Recovery
- NCHRC syringe service
- Working on veterans and child support services
- Bridge support services not currently being offered
- Positive feedback on the staff from the NCHRC participants

Amy Jordan, RI

- No update

Jesse Garner, Reentry/Justice Services

- No update

Agenda Item 3. Sequential Intercept Model Mapping

Greg Berry and Sanquis Graham

- January 30, 2025, 9am-4pm
- Please register
- Last minute people are allowed to come but we really suggest registering to be sure we have the correct numbers
- How to make referrals and be in contact with one another
- Last map was done in 2019
- For adults and for youth

Agenda Item 4. Up and Coming Project

Dr. Green, Director CCDPH

- CFORT Outreach Event at the Recovery Resource Center, March 21, 2025
- Have an event for the population to attend, had one like it last May that was successful
- Want to get more eyes on the recovery center
- Partners there, willing to connect, provider services, and do referrals
- CFORT Mobile App
- Naloxone distribution is coming from many different sources – trying to be better with recording where it is going and where it came from and what happened to it
- Hoping this will launch next spring
- Helps manage CFORT members as people come and go
- Recovery support services fund
- Out of county transportation – contact Taylor at the recovery center for assistance with this
- Flyers will be shared for upcoming events at the recovery center

Agenda Item 5. Next Steps

Greg Berry and Sanquis Graham

- Next Perinatal Taskforce: Jan 28th, 2025 (2-3pm)
- Quarterly Reports and Opioid Settlement Technical Assistance Team Feedback
- Report was submitted, really good feedback, only a couple questions
- Coordinators meeting – good feedback for Cumberland County
- Announcements

Meeting Adjourned

Next meeting: February 18, 2025, 10 am -11:30am
