2. CONSIDERATION OF ANNUAL SCHOOL FUNDING AGREEMENT FOR THE CUMBERLAND COUNTY SCHOOL SYSTEM

BACKGROUND:

At the April 16, 2018 Board of Commissioners meeting, the following March 1, 2018 Finance Committee recommendation was considered:

- A three-year funding agreement based on a rate of \$1,575 per allotted average daily membership (ADM).

DRAFT

- The ADM rate of \$1,575 was derived from FY17 funding of \$79,463,109 and FY17 allotted ADM of 50,459.
- The allotted ADM did not include charter students, as originally thought.

The action at the April 16, 2018 meeting was to refer this matter back to the Finance Committee for further consideration.

RECOMMENDATION/PROPOSED ACTION:

Consider the expanded information provided on ADM and the inclusion of a floor in the funding formula as a basis for the annual school funding agreement.

Amy Cannon, County Manager, reviewed the background information recorded above and stated she received a letter from Clyde Locklear, Cumberland County School Finance Director, requesting a county appropriation for FY19 of \$85,884,000 or an increase of \$5.3 million over the appropriation for the current year. Commissioner Keefe asked whether Mr. Locklear was operating independently with this request or whether the request was from the Board of Education. Ms. Cannon stated the letter did not indicate whether board action had been taken, but her thought was that the request was on behalf of the Board of Education.

Commissioner Adams posed questions regarding the annual current expense funding from the county to the school system. Ms. Cannon stated the hold harmless clause in the agreement led to the \$80,362,412 for FY17-18 and had there not been a hold harmless provision, funding would have been \$76,044,419. Commissioner Adams stated based on his understanding of the numbers, going from \$76,044,419 to \$85,884,000 would not be an increase of \$5.3 but almost a \$10 million increase over what the Board of Commissioners would budget. Commissioner Adams stated because budget season is underway, staff need direction and as a starting number for negotiations, he would propose going to \$79 million which would give the school system a \$3 million increase over the \$76 million. Commissioner Faircloth stated he concurred with the dollar amount \$79,463,109 but his objection is to expressing it as ADM. Commissioner Faircloth stated if that amount can be expressed as a percentage of the projected local property tax, and if a three-year agreement be done based on that percentage of the local property tax collections, he is in agreement. Commissioner Adams stated the question now is whether to go with ADM allocation. Commissioner Faircloth stated his vote is no. Questions and discussion followed.

Ms. Cannon stated for the current year because there was an adjustment for revaluation, there is not a true-up and as of June 30, 2018, the schools will receive \$80,362,412. Ms. Cannon stated for FY19, budget is refining the number and believe growth is minimal at 1.4%. Commissioner Faircloth asked what percentage \$79,463,109 was of the projected ad valorem tax. Additional questions and discussion continued.

Commissioner Keefe stated he felt the funding formula was very complicated and his affinity to ADM is not to be punitive; it used by the state, down to the counties, to the school boards and down to individual schools which appears to be the fairest and most equitable. Commissioner

DRAFT

Keefe concurred with Commissioner Adams that pragmatically speaking, people need to be allowed to budget, and he can support the request for \$79,463,109 until further discussion.

Ms. Cannon stated in response to Commissioner Faircloth's earlier question about how the \$79,463,109 relates to next year's projected valuation, the percentage is 48.76% (based on real and personal values/excludes motor vehicle). Ms. Cardinali stated it was previously 46.03%. Commissioner Faircloth stated if there is support for a three-year agreement at 48.76% of the collections going to the school system, the matter is done and is very uncomplicated and will not be affected whether the ADM goes up or down. Commissioner Keefe stated he could not support that. Commissioner Adams stated he hears support for \$79,463,109 which gives the school system an increase over what they would have gotten under the old agreement without the hold harmless.

MOTION: Commissioner Adams moved for \$79,463,109.

SECOND: Commissioner Faircloth

DISCUSSION: Commissioner Adams stated this gives staff a number to plug in and when the budget sessions begin, a determination can be made about a percentage or ADM. Commissioner Keefe stated this is just a placeholder number and not a long-term agreement.

VOTE: UNANIMOUS (3-0)

3. CONSIDERATION OF SELECTION OF COUNSEL TO PURSUE OPIOID LITIGATION

BACKGROUND:

At its March 1, 2018, meeting the Finance Committee discussed that any local attorneys who wished to serve as local counsel with one of the national groups of firms that were representing counties in the opioid litigation should contact the national firms and work out the arrangements for being designated as local counsel. Only three local attorneys contacted the county attorney to express their interest in serving as local counsel. The county attorney provided each with the contact information for the McHugh Fuller Group and the Crueger Dickinson Group. The county attorney advised each of the national groups about this process and asked that they submit their final proposed contracts by March 27, 2018. A synopsis of the proposed contracts submitted by the two national groups follows:

The McHugh Fuller Group:

The group of national firms and local counsel for which Michael Jay Fuller, Jr., Esq., has been designated lead counsel are fully identified in the proposed contract was provided. The local attorneys included in the North Carolina firms designated as local counsel are:

THE RICHARDSON FIRM, PLLC
4200 Morganton Road, Suite 150
Fayetteville, North Carolina

DRAFT

LAW OFFICES OF ANTONIO F. GERALD, PLLC
137 Person Street, Suite 103
Fayetteville, North Carolina

This group will sue the manufacturers and distributors. The abatement of the opioid epidemic as a public nuisance is one of many causes of action this group will pursue. They require the counties they represent to adopt a resolution declaring the opioid crisis a public nuisance which must be abated. The resolution this group has requested is attached. Note that neighboring counties are identified as counties in which the prescription rates are much higher than the state average. Cumberland's rate is lower than the state average.

The Crueger Dickinson Group:

The group of national firms and local counsel for which Erin Dickinson, Esq., has been a spokesperson in N.C. are fully identified in the proposed contract which is attached. The Fayetteville firm of Williford, Hollers, Crenshaw, Boliek & Frangakis has been designated as local counsel for Cumberland County. This group also intends to sue the manufacturers and distributors, but they are not pursuing a cause of action for abatement of a public nuisance. They have not asked for a declaration of public nuisance but have asked for a general resolution in support of the litigation which is attached. This group did tailor the resolution to fit the data for Cumberland County. This group's contract has a provision addressing any potential conflict of interest arising out of the group's representation of multiple N.C. counties and cities. Acceptance of the contract constitutes a waiver of any conflict of interest.

Both Groups:

The fee provisions for both groups are now basically the same. Each is a 25% contingency fee contract with the fee to be applied to the gross amount of any recovery with the costs of litigation to be reimbursed from the balance after deducting the attorneys' fees. Each caps all fees, costs and expenses at 35% of the gross amount of any recovery. Neither contract requires the county to expend any funds for attorneys' fees or costs except from monies received out of settlement with or a judgment against the defendants. Neither contract will provide defense for any counterclaims or claims for sanctions at no additional fee. Under either of these contracts, the county could be liable for damages or attorney fees to the defendants if the defendants prevailed on any motion for sanctions or a counterclaim. Each of these groups of firms has experience with opioid and multi-district litigation and each is exceptionally qualified to pursue this litigation.

Other Options:

The Board does not have to choose either of these firms to pursue this litigation. At this time no other N.C. counties have filed suit with a firm other than one of these.

RECOMMENDATION/PROPOSED ACTION:

The county attorney recommends the Board select counsel to join the litigation and advises that the two groups of firms whose proposals are summarized above are as qualified as any firm that might be solicited with a RFP. If the Board is satisfied with either of these proposals, the Board should select one of these groups as counsel under the terms of the proposals as presented or subject to such further conditions as the Board deems appropriate.

DRAFT

Rick Moorefield, County Attorney, reviewed the background information recorded above and the firms that the two national groups designated as local counsel. Mr. Moorefield reviewed the fee provisions for the two national groups and stated the fees will come out of gross proceeds with both capping it at 35% of the gross amount of recovery. Mr. Moorefield stated both contracts provide that there will be no money paid by the county out of public funds, and any fees or costs will only be provided by the defendant through a judgement or settlement. Mr. Moorefield stated a provision that has been taken out of the previous contracts is that neither contract will provide defense for any counterclaims or claims for sanctions at no additional fee. Mr. Moorefield stated under either of these contracts, the county could be liable for damages or attorney fees to the defendants if the defendants prevail on any motion for sanctions or a counterclaim. Mr. Moorefield stated he does feel there is a substantial risk of this in this case. Mr. Moorefield stated each of these groups has experience with opioid litigation and each is as exceptionally qualified to pursue this litigation as any firms that would arise from an RFP process.

Mr. Moorefield stated the difference in the two approaches is that the Crueger Dickinson Group waives any conflict of interest that may arise by their representation of other counties or municipalities and McHugh Fuller Group does not have that provision. Mr. Moorefield stated the primary cause of action of the McHugh Fuller Group is based on the public nuisance approach and they are using data in their resolution from surrounding counties or CDC data to beef of that approach. Mr. Moorefield stated the data that can be shown for Cumberland County puts it in the bottom third in North Carolina in terms of prescriptions and number of opioid pills prescribed and used.

Mr. Moorefield stated the Board does not have to choose either of these firms to pursue this litigation, but he is not aware of any other firms having been selected by other counties at this point. Mr. Moorefield stated other counties that conducted RFPs ended up selecting one of these two firms.

Commissioner Adams stated the firm of Williford, Hollers, Crenshaw, Boliek & Frangakis has been designated as local counsel by the Crueger Dickinson Group and they do not handle civil law in their firm, only criminal. Commissioner Adams stated this is major civil litigation and if a firm has not done civil litigation in federal court, that is a concern for him.

Commissioner Keefe stated no one will understand how opioids have affected Cumberland County more than the county attorney and if a firm is chosen, he would like the county attorney to be the representative in the civil action. Mr. Moorefield stated his recommendation all along has been the Crueger Dickinson Group because their approach is more in line with the county's data, and also his recommendation that they designate the county attorney as local counsel.

Commissioner Keefe asked Mr. Moorefield whether he believed he could negotiate fees. Mr. Moorefield stated not fees per se but he has spoken about reducing the charge to the county by the amount they were going to pay local counsel or a contribution to a county agency or group that would be involved. Mr. Moorefield stated because he did not know the committee's interest, those details have not been worked out. Commissioner Keefe asked Mr. Moorefield whether his

DRAFT

continuing as the civil local attorney would be an option. Mr. Moorefield stated he believed it may be an option, but there has not been talk about that for a while.

MOTION: Commissioner Adams moved to go with the McHugh Fuller Group with the caveat that commissioners not sign the contract.

SECOND: Commissioner Faircloth

DISCUSSION: Commissioner Keefe stated the recommendation of the county attorney was for the law firm that had the most success and the motion goes against that. Commissioner Keefe asked whether the motion would take the county attorney out of the local representation. Commissioner Adams stated he did not feel the county attorney would ever be out of it and he did not hear that one group was any more successful than the other. Commissioner Adams stated what he heard was that both firms were successful but did it in different ways.

VOTE: PASSED (2-1) (Commissioners Adams and Faircloth voted in favor; Commissioner Keefe voted in opposition)

4. CONSIDERATION OF THE CHERRY BEKAERT AUDIT CONTRACT TO AUDIT ACCOUNTS FOR FY18

BACKGROUND

On April 18, 2016 the Board of Commissioners approved a three-year agreement for Cherry Bekaert to perform the annual audit for Cumberland County. At that time, Cherry Bekaert provided the County with several pricing options. For the audit of fiscal year 2017, Option two was utilized upon Board of Commissioners' approval on September 18, 2017. For fiscal year 2018 we are requesting approval to select Option one.

Option one includes Cherry Beakert having responsibility for writing the full report. For 2018 the cost for report writing is \$19,000. Option one also excludes the use of the County's Internal Auditor from duties related to the financial and single audit. For 2018 the cost to exclude the Internal Auditor is \$21,500.

The report writing function of the Comprehensive Annual Financial Report (CAFR) has historically been completed by Cherry Bekaert. Although report writing functionality exists in the current financial system, the Finance Office is not adequately staffed to implement this function. As was the case for the fiscal year 2017 audit, if Cherry Bekaert does not write the report, the County will be at risk of issuing an untimely CAFR.

Having an Internal Auditor work with Cherry Beakert on financial and single audit requirements was introduced with the fiscal year 2014 audit contract. Initially the savings to the County was \$20,000 annually. Since that time, additional stipulations and costs became required of the Internal Auditors for continuation of this practice. The cost to the County to continue this practice has exceeded the benefit of the dollar savings. In addition to the tangible cost, opportunity cost should also be considered. Internal audit staff time could alternatively be spent conducting additional

DRAFT

audits on departments and would allow more time to work in conjunction with the Business Intelligence function of the Information Services Department.

All options and the related costs are shown in the table below:

Audit of Fiscal Year ending:	Option 1 Report writing Financial & single audit	Option 2 Report writing Financial & single audit Less: Use of Internal Auditor	Option 3 Report writing Financial & single audit Less: Use of Internal Auditor Less: All report writing performed by County	ALL Fee Reduction for 2016 contract extension
June 30, 2017	\$ 116,625	\$ 85,625	\$ 80,625	\$ (4,000)
June 30, 2018	\$ 119,650	\$ 98,150	\$ 82,650	\$ (3,000)
June 30, 2019	\$ 121,750	\$ 99,750	\$ 83,750	\$ (3,000)

The net cost for the fiscal year 2018 audit contract will be \$116,650.

RECOMMENDATION/PROPOSED ACTION

Management recommends the Finance Committee approve and forward to the Board of Commissioners the following action: Approve the Contract to Audit Accounts with Cherry Bekaert for fiscal year 2018 utilizing Option One which requires Cherry Bekaert to do the report writing, full completion of the financial and single audits, for a net cost of \$116,650.

Vicki Evans, Finance Director, reviewed the background information recorded above and stated at present, the plan is to release an RFP in the early fall of 2019 so the county is well within the timeframe to contract for the FY20 audit. Ms. Evans referenced the table recorded above and stated the amount of \$85,625 under Option 2 for FY ending June 30, 2017 should be corrected to the amount of \$95,625. Ms. Evans noted the correction does not change any of the other numbers in the table or other information provided.

Ms. Evans explained the report writing function includes converting the county's financial transactions into the government wide and fund financial statements and completing the reconciliation between the statements. Ms. Evans stated this does not alleviate staff from any responsibility associated with the report.

MOTION: Commissioner Faircloth moved to accept staff recommendation and accept the total audit fee at a net cost of \$116,650.

SECOND: Commissioner Adams

VOTE: UNANIMOUS (3-0)

5. CONSIDERATION OF PUBLIC UTILITIES' WATER AND SEWER RATE STRUCTURES

DRAFT

A. CONSIDERATION OF AMENDMENT TO THE NORCRESS WATER AND SEWER DISTRICT RATE STRUCTURE

BACKGROUND:

A review of the operational costs of the NORCRESS sewer system, has revealed the present rate of collections for sewer service is not meeting the costs being incurred by the system for operations and maintenance. There have been increases by the sewer service provider, chemical provider and electrical providers. At the present rate we are not generating any revenue to set aside as a capital reserve fund to pay for replacement equipment or needed repairs.

The rates were last increased in 2013, in which the increase raised the rate on residential sewer service to \$6.50 per 1,000 gallons, commercial sewer service to \$7.00 per 1,000 gallons and flat rate services to \$31.42 per month.

The NORCRESS Advisory Board, consisting of Mayors from Wade, Falcon and Godwin, suggested the following proposed rate increases and changes at its April 12th meeting:

<u>Rate Description</u>	<u>Current Rate</u>	<u>Proposed Rate</u>
Residential Sewer Customers	\$6.50/thousand gallons	\$7.50/thousand gallons
Commercial Sewer Customers	\$7.00/thousand gallons	\$8.00/thousand gallons
Flat Rate Sewer Customers	\$31.42 per month	\$33.42 per month
Operation & Maintenance Fee Residential	\$2.00 per month	\$3.00 per month
Operation & Maintenance Fee Commercial	\$1.00/thousand gallons	\$2.00/thousand gallons
Administration Fee	\$1.58 - \$46.70 per month, depending on meter size	\$2.00 per month, no matter the meter size
Local Town Fee	\$1.75 – 7.50 per month, depending on meter size	\$1.75 per month, no matter the meter size

The average monthly usage throughout this system is 4,500 gallons per residential user, this equates to an average increase of \$5.92 per month to the individual customer for sewer service. The effective date of the rate increase will be July 2018, after customers have been provided a 30 day notice of the new rates.

Spreadsheets showing the monthly costs associated with the operation of the system, as well as, revenue requirements to meet these costs were provided.

RECOMMENDATION/PROPOSED ACTION:

The Engineering and Infrastructure Director, the NORCRESS Advisory Board and County Management recommend that the Finance Committee approve the rate structure amendments for NORCRESS and place the item on the agendas of the May 21, 2018 Board of Commissioners and the NORCRESS Water and Sewer District meetings for approval.

In response to questions from Commissioner Adams, Mr. Brown explained the change to an administration fee and stated the NORCRESS Advisory Board voted in favor of the changes. Additional questions followed. Ms. Cannon stated the NORCRESS rate increase is needed so the county does not incur a loss but also, so funds can be set aside for future maintenance and equipment on the infrastructure side.

B. CONSIDERATION OF THE OVERHILLS PARK WATER AND SEWER DISTRICT RATE STRUCTURE

BACKGROUND:

Construction of the sanitary sewer system for the Overhills Park Water and Sewer District is almost complete. Currently the contractor is waiting on the arrival of three grinder pumps in order to install grinder pump systems for three (3) parcels that could not be served by gravity connections.

DRAFT

Once the contractor completes the installation, the contractor will be working on punch list items to close out the contract.

With completion of the construction near, the Public Utilities Division needs a rate schedule approved in order to bill customers once the sewer system is ready to go online and prior to customers connecting to the system.

The Overhills Park Water and Sewer District Rate Schedule was provided. The Sewer Rate section of the schedule is based on repayment of the USDA loans, operation, maintenance and sewer treatment charges. The Other Fees section of the schedule is the same as rates charged in other County districts. The monthly bill for an Overhills customer connected to the system will be \$54.00 per month.

The rate schedule will be effective upon Board approval.

RECOMMENDATION/PROPOSED ACTION:

The Engineering and Infrastructure Director and County Management recommend that the Finance Committee approve the rate structure for Overhills Park and place the item on the agendas of the May 21, 2018 Board of Commissioners and the Overhills Park Water and Sewer District meetings for approval.

6. CONSIDERATION OF CONTRACT FOR SERVICES IN SUPPORT OF THE HOMELESS INITIATIVE PROGRAM AND ASSOCIATED BUDGET REVISION

DRAFT

BACKGROUND

Cumberland County and the City of Fayetteville entered into an Interlocal Agreement to address homelessness in October 2017. In the agreement, both parties agreed on joint funding for homeless initiatives and the formation of a Homeless Committee to coordinate and develop strategies to address homelessness through community-wide programs and services. The Homeless Committee consists of the following individuals:

- Larry Lancaster, Cumberland County Commissioner Chair
- Larry Wright, Fayetteville City Council Member
- Duane Holder, Cumberland County Assistant County Manager (Co-Chair)
- Jay Reinstein, Fayetteville Assistant City Manager (Co-Chair)
- Sally Shutt, Cumberland County Assistant County Manager
- Cynthia Blot, Fayetteville Economic & Community Development Director
- Dee Taylor, Cumberland County Community Development Interim Director
- Catrina Valadez, Cumberland County Community Development Data Analyst
- Paul Taylor, Chair, Fayetteville/Cumberland County Continuum of Care on Homelessness

For FY 17-18, the County budgeted \$150,000 for the Homeless Initiative Program, which included \$100,000 in County funds and \$50,000 in City of Fayetteville funds. The City of Fayetteville has increased their contribution by an additional \$50,000 to bring their total amount to \$100,000. A budget revision is requested to recognize the additional \$50,000 contribution from the City of Fayetteville. No additional County funds are required.

The Homeless Committee released the Homeless Initiative Program Request for Proposals (RFP) on March 12, 2018 with an April 6, 2018 response deadline. The purpose of the program is to provide additional support in the community that will address the gaps in housing and supportive services for homeless persons and those persons at-risk of being homeless.

Four (4) agencies responded to the RFP. At the April 23rd Homeless Committee Meeting, the committee voted to recommend award of the contract for services to Endeavors, Inc. (formerly Family Endeavors). The multi-year contract will total \$200,000, beginning on June 1, 2018 and ending June 30, 2020. Periodic performance reviews will occur during the contract period to determine the continuation of funding. The Homeless Committee will monitor program performance and outcomes and make recommendations to the Commissioners and City Council based on results.

RECOMMENDATION/PROPOSED ACTION:

1. Approve Budget Ordinance Amendment #B181070 to recognize an increase of \$50,000 from the City of Fayetteville for the Homeless Initiative Program. Total Program funding will increase from \$150,000 to \$200,000. No additional County funds are required.
2. Approve a contract between Cumberland County and Endeavors, Inc. in the amount of \$200,000 for the provision of homeless services and supports, pursuant to the terms of the Homeless Initiative Program RFP. The contract term will be June 1, 2018 to June 30, 2020.

EXHIBIT 1

Homeless Initiative Program PROGRAM OBJECTIVES

DRAFT

The projections listed below shall be updated at the end of each program year during the term of this agreement. The Sub recipient shall be responsible for providing the updated projections to the County.

GOALS AND OBJECTIVES

- To provide housing stabilization services to homeless families and individuals
- To serve at least 15 single adult individuals and 20 families (with children) during the term of the contract

Duane Holder, Assistant County Manager, introduced Catrina Valadez, Community Development Data Analyst, and stated the contract being considered is for services to support the homeless population that often fall through the gaps as it relates to the HUD definition of homelessness. Mr. Holder highlighted the background information recorded above and the budget ordinance amendment to recognize the additional \$50,000 contribution from the City of Fayetteville to match the county's \$50,000.

Commissioner Faircloth asked what the contract would do. Mr. Holder responded the contract will work to help those people who are homeless or at eminent risk of becoming homeless to secure stable housing. Mr. Holder stated eligible costs would be rental application fees, security deposits for utilities, moving costs, rent, transportation, rent in arrears for a certain number of months, furniture for startup in apartments or a combination thereof. Mr. Holder stated another purpose of this funding is to prevent those who might slip into the chronic or literal homeless category for which there is no other funding source. In response to a question from Commissioner Adams, Mr. Holder stated this is funding is used as a last resort for those who do not qualify for any other funding.

Commissioner Keefe asked how success will be measured and what the incentive is for Endeavors, Inc. to get people off homelessness if they continue to receive \$200,000 a year. Mr. Holder stated this is one-time funding and the case management component is intended to address issues that caused the homelessness and connect individuals and families to other services and benefits for which they are eligible. In response to another question from Commissioner Keefe, Mr. Holder stated the hope is to impact the literal homeless because there are many different definitions of homelessness.

Commissioner Adams asked how much goes to staffing. Mr. Holder stated 10% of the funding is allocated for case management, 5% for administration with a maximum of \$30,000 to be used for staffing. Additional questions followed.

MOTION: Commissioner Faircloth moved to approve a contract between Cumberland County and Endeavors, Inc. in the amount of \$200,000 for the provision of homeless services and supports, and approve Budget Ordinance Amendment #B181070 to recognize an increase of \$50,000 from the City of Fayetteville for the Homeless Initiative Program.

BACKGROUND

Cumberland County receives annual funding from the state to provide workforce development services through the Workforce Innovation & Opportunity Act (WIOA). These important services are focused on the following groups: local employers, the unemployed, underemployed adults, veterans, dislocated workers, In-School Youth (age 14-21) and Out-of-School Youth (age 16-24). These services are currently contracted to ResCare Workforce Services with a contract period ending June 30, 2018. Estimated allocations for FY19 are anticipated to be as follows for these specific program areas in Cumberland County:

- 1) \$800,000 for adult services programs
- 2) \$550,000 for dislocated worker programs

3) \$800,000 for youth services programs

These not-to-exceed amounts may be subject to change as it is based upon a prior estimate of available funds. It is anticipated that the exact funding amount will be known at or about the time of the final contract negotiations. All contracts for services will be on a cost-reimbursement basis, based upon performance, and may be extended for two additional years at the discretion of the County.

The Cumberland County Workforce Development Board (WDB) selected and approved an ad hoc review team consisting of WDB members (Rodney Anderson, Charlene Cross, Isabella Effon, Pam Gibson, and Joy Miller) at the November 8, 2017 meeting. The RFP for WIOA Title I Program Services was released on March 26, 2018 and due by 4 pm on April 23, 2018.  - a. EDSI shall diligently perform and carry out in a satisfactory and proper manner the work and services described in Attachment A, "Statement of Work".
3. Time of Performance
 - a. The services of EDSI shall commence on July 1, 2018 and EDSI shall provide such services in such manner and sequence as to ensure their expeditious completion and as may be required in Attachment A, Statement of Work. All services required hereunder shall be completed on or before the end of the contract period: June 30, 2019. For the purposes of the statute of limitation, and in recognition of the fact that closeout procedures, audit, audit resolution, and collection of disallowed costs will occur after the contract period, this contract shall not be considered completed until final action on any disallowed costs by USDOL has been taken and the time for appeal of disallowed costs has expired.

4. Compensation and Method of Payment

- a. In the case of activities covered by cost reimbursement provisions, EDSI shall be compensated for the work and services to be performed under this contract by monthly reimbursements based on allowable expenditures actually made, unless otherwise specifically agreed to the contrary. For any activities covered by fixed unit price/performance-based provisions, EDSI shall be compensated based upon the timely delivery of services included in Attachment A, Statement of Work. In no event, however, will the total compensation and reimbursement, if any, to be paid EDSI under this contract exceed the sum of two million one hundred and fifty thousand dollars (\$2,150,000) in WIOA funds as described in Attachment D, "Solicitation (Cumberland County WFB RFP No. 18-01-WFD) and EDSI's Proposal" and this offer to contract signed by Kevin Schnieders. Provided further, EDSI acknowledges that the County and the Cumberland County Workforce Development Board are receiving monies to fund WIOA activities on behalf of the State of North Carolina and the United States Department of Labor and that the County's obligations to pay any funds is conditional upon receipt of such funds. The County may impose restrictions upon the maintenance of excess cash by the contractor consistent with the restrictions placed upon the County by the State and the United States Treasury Department.
- b. EDSI, using funds available pursuant to this contract, shall be fully responsible for the WIOA Adult, Dislocated Worker, College-to-Careers, Incumbent Worker Training, and Youth Program services and activities as provided for in the Statement of Work attached hereto as Attachment A and hereby incorporated by reference as is fully set forth herein.
- c. EDSI shall be entitled to an "Administrative Fee" calculated by the Determination of Reasonableness of Profit Worksheet, **Attachment XX**. This Administrative Fee shall be paid to EDSI in twelve equal monthly installments.

5. Approval of Subcontract or Assignability

- a. EDSI shall not assign all or any portion of its interests in this contract, nor shall any of the work or services to be performed under this contract by EDSI be subcontracted, without the prior written approval of the County.

6. County as Contract Administrator

- a. The County and Cumberland County Workforce Development Board staff shall perform the administrative, enforcement, oversight, evaluation, and monitoring of this contract as agents of the County. EDSI shall not be entitled to rely on County or the Cumberland County Workforce Development Board for such compliance issues.
- b. All notices, reports, and other information including a monthly financial status report shall be sent via e-mail to the Cumberland County Workforce Development Board, c/o, Nedra Clayborne Rodriguez nrodriguez@co.cumberland.nc.us with a copy of said electronic reports sent to paazam@co.cumberland.nc.us.

7. The County has the right to monitor program, fiscal, personnel, and management activities under this

contract to ensure that performance goals are being met, and that appropriate administrative procedures, controls, and records are maintained, that Contract terms and conditions are being fulfilled, and that personnel and equal employment opportunity requirements are being met. EDSI for itself and for its sub-recipients does hereby authorize and agree to permit on-site visits by the County, Workforce Development Board Staff, State of North Carolina, USDOL or their designees, private questioning of employees and participants, and access for review or copying of EDSI or sub-recipient records of all programs. EDSI shall attend and shall require its sub-recipients to attend such meetings as requested by the Workforce Development Board regarding the monitoring or evaluation of programs.

The County may provide technical assistance to EDSI and its sub-recipients through periodic discussions and training sessions as the County deems necessary. Notwithstanding any such assistance provided by County, EDSI shall be fully responsible for complying with all applicable policy issuances, laws, and regulations.

The County may provide EDSI with written notification of deficiencies discovered in review of its activities and will endeavor to provide EDSI with reasonable time to take corrective action regarding deficiencies.

The failure of the County or the Workforce Development Board staff to discover or notify EDSI in writing of deficiencies does not relieve EDSI of its obligation to meet performance standards, maintain sound administrative and fiscal management, ensure equitable personnel policies and non-discrimination, and satisfy statutory, regulatory and contractual requirements.

8. Notification of Fraud or Abuse

EDSI shall immediately notify the County in writing of any charges or allegations of criminal misconduct, fraud, negligence, or other wrongdoing in connection with the program or any administering agency.

9. Maintenance of Records

EDSI shall maintain all fiscal and program records for periods required by federal regulations, but in no event less than four (4) years from the completion of obligations under this contract. Should audit proceedings be instituted concerning this contract, EDSI shall not destroy any records thereof until it is notified in writing that all audits are complete and such records are no longer needed. The County, the State, USDOL, and Comptroller General of the United States, or any of their designees shall have access to all records of any type of EDSI or its sub-recipient with regard to funded activities.

EDSI, however, may not transfer, relocate or alter the use of any property hereunder without the prior written authorization of the County. EDSI shall report any non-WIOA use of non-expendable property to the County.
- b. EDSI is responsible for the proper identification, inventory and maintenance of all property under its control. EDSI shall complete and submit to the County an annual inventory listing, clearly identifying WIOA Property. EDSI shall permit on-site inspections of all property by the County, the

State, USDOL, or their designees. EDSI shall adhere to all property policies from the County and the State.

- c. EDSI shall procure the prior written approval of the County to initiate any action involving acquisition by purchase, lease or trade, transfer, relation, changed use or disposition of non-expendable property. EDSI shall not be entitled to recover the costs of acquisition or transfer if such prior written approval is not obtained.
- d. EDSI shall not acquire real property with funds under this Contract.
- e. EDSI expressly assigns to the State any right it may acquire by operation of law or otherwise in any property under this Contract. If intangible property on which a patent or copyright is obtainable is developed with funds acquired under this contract, EDSI acknowledges and agrees to procure the acknowledgment of its sub-recipients that the property is work for hire funded by the State, and the State has ownership of such works unless specifically waived in writing by the Division of Workforce Solutions.
- f. On completion of the services under this Contract or upon earlier termination of this Contract, all non-expendable property and all expendable property covered by federal regulations shall be situated, transferred or disposed of according to instructions by the State.

11. Reporting Requirements

- a. In the case of reimbursable activities, EDSI shall furnish the County with a monthly financial status report in a format designated by the County. Such reports shall be furnished not later than ten (10) business days following the end of each month. Such reports shall consist of detailed information taken from records and official books of account of EDSI. In addition, the County, the State, and USDOL may require ad hoc reports for program management.

12. Supportive Services, PELL Grant Payments, and Other Financial Assistance

- a. Supportive Services provided by EDSI under this contract to participants shall not duplicate services provided by a public or private source(s), which are available at no cost to EDSI and/or participants. Additionally, EDSI is responsible for documenting a participant's receipt of all financial aid awards and maintaining such documentation. If other financial aid is received, adjustments to the cost of tuition and books paid through this contract shall be made accordingly.
- b. EDSI shall adhere to all Federal, State, and County mandated requirements regarding the use of PELL grant funds and other financial awards in conjunction with WIOA funds.

13. Accounting

- a. EDSI shall maintain complete accounting records sufficient to document receipts and expenditures of WIOA funds under this contract. For fixed unit price/performance based activities, EDSI shall submit the appropriate documentation as detailed in Attachment A, Statement of Work, for the amount described in the budget included as Attachment B. Program income must be accounted for, reported to the County by the appropriate program year fund allocation, and used during the contract period to offset the cost of the services provided or such additional income shall be forwarded to the County. Interest income on cash

advances of sub-grant funds shall also be accounted for as additional program income and reported accordingly.

- b. All accounting records should be maintained in accordance with Uniform Guidance Requirements 2 CFR 200, 215, 225, 230, including any exceptions identified by the Department of Commerce at 2 CFR part 2900, the NC Local Government Budget and Fiscal Control Act, Federal and State Certifications and Assurances, State Policy Issuances, other applicable OMB Circulars and administrative provisions, implementing regulations, and Generally Accepted Accounting Principles.

14. Rights in Documents, Materials, and Data Produced

- a. EDSI agrees that all reports and other data prepared by and for it under the terms of this contract shall be delivered to, become, and remain the property of the County or its assigned designee upon termination or completion of the work. Both the County and EDSI shall have the right to use it without restriction or limitation and without compensation to one another. For the purposes of this contract, data includes writings, sound recordings, or other graphic representations, and works of similar nature. No reports of the documents produced in whole or in part under this contract shall be the subject of an application for copyright by or on behalf of EDSI.

15. Interest of EDSI

- a. EDSI covenants that neither EDSI nor its agents or employees presently has an interest, nor shall acquire an interest, direct or indirect, which conflicts in any manner or degree with the performance of its services hereunder, or which would prevent, or tend to prevent, the satisfactory performance of EDSI's service hereunder in an impartial and unbiased manner. EDSI further covenants that in the performance of this contract, no person having any such interest shall be employed by EDSI as an agent, subcontractor, or otherwise.

16. Interest of Members of the Council and Others

- a. No officer, member or employee of the County, Cumberland County Workforce Development Board, and/or no public official of any local government which is affected in any way by the WIOA activities, shall participate in any decisions relating to this contract which affects his/her personal interest or in the interest of any corporation, partnerships, or association in which s/he is, directly or indirectly, interested; nor shall any such person have any interest, direct or indirect, in this contract or the proceeds arising therefrom.

17. Location of Services

- a. EDSI shall co-locate its employees providing services pursuant to this contract at a location designated by the County. It is the intent of the County that said employees shall be co-located with employees of the Cumberland County Workforce Development Board and the Cumberland County NCWorks Career Center (to include employees of the North Carolina Department of Commerce's Divisions of Workforce Solutions and Services).

18. Maintenance of Effort

- a. EDSI sponsored training in existence prior to the initiation of this contract shall be continued and may not be reduced in any way as a result of this contract (except for reduction unrelated to the provisions or purposes of this contract). EDSI agrees that implementation of this contract will not

result in the displacement of employed workers or impair existing contracts for services or result in the substitution of Federal or other funds in connection with work that would otherwise be performed.

19. Nepotism

- a. EDSI agrees for itself and its subcontractors that no two members of an immediate family shall be employed within the same agency if such employment will result in one supervising a member of his/her immediate family, or in one occupying a position which has influence over the other's employment, promotion, salary administration, and other related management or personnel considerations. Immediate family is described as wife, husband, mother, father, brother, sister, son, daughter, mother-in-law, father-in-law, daughter-in-law, son-in-law, grandmother, grandfather, grandson, granddaughter, stepmother, or stepfather. This section shall also apply to governing boards for contractors, EDSI staff, and subcontractor staff involved in WIOA activities.

20. Complaints and Hearings

- a. EDSI shall have a complaint and hearing procedure for complaints and grievances by its employees, participants, and other persons. The procedure may involve investigations by EDSI and shall result in an impartial hearing within 30 days and a written decision in 60 days after receipt of the formal complaint.
- b. The County shall have a complaint and hearing procedure for complaints and grievances as described in policy #11 Nondiscrimination – Workforce Innovation and Opportunity Act (WIOA) Nondiscrimination/Equal Opportunity Standards and Complaint Procedures. The procedures shall be conducted under and governed by the County policies and/or the North Carolina Administrative Code. As to complaints and appeals governed by this paragraph, the County shall have authority to investigate and make findings, determinations and orders, including orders imposing corrective conditions and ordering sanctions, after the opportunity for a hearing. Where permitted under this contract or by law, sanctions and conditions may be imposed prior to an oral hearing in an emergency situation.
- c. The County may, on its own complaint, initiate an investigation and conduct a hearing on any activity under this contract.
- d. The complaint and hearing procedure hereunder will comply with WIOA, the regulations thereunder, and with state law.
- e. EDSI shall designate a hearing officer and provide each participant with a copy of EDSI's complaint and hearing procedure including the names and addresses of EDSI's hearing officer, and the hearing officer of the County.

21. Protests, Disputes, and Claims

- a. Except as otherwise provided in this contract, any protest, dispute, or claim, concerning a question of fact arising under this contract which is not disposed of by agreement shall be resolved by the County, which shall issue a written determination and mail or otherwise furnish a copy to EDSI. The decision of the County shall be final and conclusive unless, within 30 days from the date of receipt of such copy, EDSI mails or otherwise furnishes to the County a written appeal. The decision of the County shall be final and conclusive unless determined by a court of competent jurisdiction to have

been fraudulent, capricious, arbitrary, or as grossly erroneous as to imply bad faith or not to have been supported by substantial evidence. In connection with any appeal proceeding under this clause, EDSI shall be afforded an opportunity to be heard and to offer evidence in support of the appeal. Pending final decision of a dispute, EDSI shall proceed diligently with the performance of the contract and in accordance with the County's decision.

22. Indemnity and Insurance

- a. To the extent permitted by the North Carolina Tort Claims Act (Chapter 143, Article 31 of the North Carolina General Statutes) EDSI shall indemnify and save harmless the County from and against any and all claims, losses, costs, damages, expenses, judgments or liabilities caused or arising through EDSI's performance of this Agreement including, without limitation, negligent or other wrongful acts or omissions, accidents or other occurrence causing bodily injury, including death, sickness, and disease to any personnel, damage or destruction to property, real or personal, and sexual misconduct by EDSI and its employees and agents.
- b. EDSI shall provide the County written notice, in the form of Certificates of Insurance, for any and all insurance required by the RFP or by law. EDSI shall require its insurers to provide the County written notice of any cancellation or lapse in coverage of said insurance immediately upon said lapse or cancellation.

23. Audit

- a. EDSI agrees to have completed a fiscal and compliance audit covering the appropriate period of the contract and submit a copy to the County within 30 days after EDSI receives its completed audit but no later than six months from the end of the audit period. An independent firm of Certified Public Accountants or the State Auditor shall perform the audit. The audit of the contract shall include additional statements of WIOA revenues and expenditures as of June 30th when the contractor has a fiscal year other than June 30th and for the entire contract period when it has been performed during more than one fiscal year. WIOA grant funds may be used to pay the costs of such audit. The audit should include, at a minimum, an accountant's opinion, a balance sheet, a statement of revenues, expenditures, and fund balance, an opinion letter and a management letter, a Schedule of Federal and State Financial Assistance, Compliance Report, and Internal Control Report. The examination must be made in accordance with Generally Accepted Accounting Practices and the Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the U.S. General Accounting office. EDSI audits will have all findings and questioned costs (including a note about all payables to and unearned receipts from WIOA) in the Compliance Section of the Audit. Furthermore, to ensure compliance with GS 159-40, non-profit corporations or organizations receiving funds under this contract of \$1000.00 or more and not exempted by Section 1(d) of GS 159-40, are required to file a copy of the independent audit report with the Office of the State Auditor. Also, audits of EDSI performed by the Office of the State Auditor or USDOL directly may satisfy the requirements of this paragraph. The County under state mandate may unilaterally impose additional reasonable conditions on audit activity.

24. Audit Resolution and Disallowed Costs

- a. In the event the County, State, or USDOL disallows any expenditures of funds made by EDSI under this contract, EDSI shall within 10 days reimburse such funds to the County from non-federal funds, after attempted resolution of the disallowed costs under the 120-day Audit Resolution Procedure. The County has adopted the 120-day Audit Resolution Procedure that allows EDSI a 30-day comment

period after receipt of the final audit. Within 30 days after the comment period, the County will issue an initial determination stating disallowed costs, then EDSI will have 60 days to produce documentation attesting to the allowed ability of the costs, request a hearing, or otherwise seek a settlement of the disallowed costs. At the end of the 120 days, a final determination will be issued stating all disallowed costs that shall be reimbursed. The County may, in the case of EDSI's default or actions which the County believes are not in good faith by EDSI, withhold future payments under this or any other contract with EDSI or impose other sanctions until the disallowed costs are resolved. If interest on disallowed costs accrues to the County or the State, EDSI shall also be liable for such interest charges.

25. Contract Closeout

- a. Within 30 days from the ending or termination of the contract, EDSI shall submit to the County a final performance report, financial report, closeout document, and a reimbursement for WIOA funds received in excess of final expenditures. Receipt of the closeout documents will complete all transactions under the contract except for property maintenance, audit, and audit resolution. No later than the date the final performance report is due, EDSI shall return to the County any and all County property purchased hereunder and any and all unexpended and surplus funds EDSI obtained pursuant to this Contract.

26. Changes

- a. Any changes in the terms of the Agreement must be in writing and signed by both parties to be effective, except if necessitated by unavailability of or reduction in funding.

27. Contracting Period

- a. The contracting period shall be as stated in section 3a (Time of Performance). As stated in the RFP, the County shall have the option of extending this contract for two additional one-year terms. The County shall give EDSI written notice of its intent to renew, including any additional provisions which the County determines necessary to include in this contract for the renewal period, no less than 60 days prior to the expiration of said period. If the County elects to renew, EDSI shall respond within 30 days of said notice with any requests for exceptions or changes to the original contract terms and any additional provisions provided by the County. If there are no exceptions noted, this contract, including said additional provisions, shall be renewed for the additional term.

28. Termination of the Contract

- a. If through any fault of its own, EDSI shall fail to fulfill in a timely and proper manner its obligations under this contract, or if EDSI shall violate any of the material covenants, agreements, representations or stipulations of this contract, the County shall have the right to terminate this contract by giving written notice to EDSI of such termination and specifying the effective date thereof. In such event, all finished documents and other materials collected or produced under this contract shall, at the option of the County, become its property. EDSI shall be entitled to receive just and equitable compensation for any work performed in accordance with this contract, except for the extent such work must be duplicated in order to complete the contract. Notwithstanding the foregoing, EDSI shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of this contract by EDSI, and the County may withhold payment of any additional sums as security for payment of damages caused by EDSI's breach, until such time as the exact amount of the damages resulting from such breach is determined.

- b. EDSI shall repay to the County within 30 days of termination of the contract any and all cash advances received which exceed actual expenditures for work performed in accordance with this contract. EDSI shall work closely with the County in the liquidation of advances and recovery of unexpended funds.
- c. The County may unilaterally terminate or modify this contract if necessitated by unavailability of or reduction in funding, and/or non-performance by EDSI.
- d. EDSI shall have the right to terminate this contract if the County breaches any of the material covenants, agreements, representations, or stipulations of this contract and has failed to correct such breach within 30 days after receiving written notification from the contractor of the breach. Upon termination, the County shall not be relieved of its duty to pay EDSI for services performed in accordance with the contract and prior to the effective date of termination.

a. Documents Included in the Contract

- i. The following documents are hereby made a part of this Contract by reference, and compliance with the applicable provisions of the documents is a condition of this Contract: Workforce Innovation and Opportunity Act Public Law No: 113-128 (herein after referred to as the "Act" or "WIOA"), WIOA DOL ETA 20 CFR, Part 651, 652, 653, 654, 658, 675, 676, 677, 678, 679, 680, 681, 683, and 686; and DOE Office of Career, Technical and Adult Education, Rehabilitation Services Administration 34 CFR Parts 361 and 463; other applicable federal laws, regulations, orders, circulars and issuances; applicable state laws, regulations, instructions and issuances; Attachment A, "Statement of Work"; Attachment B, "Budget"; Attachment C, "Certifications and Assurances"; and Attachment D "Solicitation (Cumberland County WFB RFP No. 18-01-WFD), and EDSI's Proposal" and this Offer to Contract.

d. Changes in Incorporated Documents and Definitions

- i. The parties are bound by any change in federal and state law that occurs subsequent to the

- ii. If the cumulative amount of all transfers to and from that budget line item equals or exceeds five percent (5%) of the original amount as stated in Attachment B, no transfer or adjustment to that line item may be made without the written consent of the County. **MEMO FOR THE AGENDA OF THE JUNE 7, 2018
MEETING OF THE FINANCE COMMITTEE**

TO: FINANCE COMMITTEE

FROM: VICKI EVANS, FINANCE DIRECTOR

THRU: AMY CANNON, COUNTY MANAGER

DATE: MAY 29, 2018

SUBJECT: CONSIDERATION OF A STANDING OBJECTION TO THE
WAIVER OF ANY COURT COST OR FINE IN RESPONSE TO
SESSION LAW 2017-57, SECTIONS 18B.6(a) AND (b)

Requested by: Amy Cannon, County Manager

Presenter(s): Vicki Evans, Finance Director

Estimate of Committee Time Needed: 5 Minutes

BACKGROUND

In late November 2017, the County was notified that we would have the opportunity to appear and be heard on any waiver of court costs or fines imposed in criminal and infraction cases, to be effective December 1, 2017. Since that time, the Administrative Office of the Courts has provided the option of completing the attached form in lieu of having the attorney appear in court.

On the basis of fiscal responsibility, staff is requesting approval to register its objection to waiver or remission of any cost or fine that may be due to the County. We are also requesting approval to waive the request for notice as we no longer wish to receive monthly notices.

RECOMMENDATION/PROPOSED ACTION

Management recommends the Finance Committee approve and forward to the Board of Commissioners the following action:

Approve for the County Attorney to submit the standing objection/waiver of objection by objecting to waiver or remission of any cost under G.S. 7A-304 or fine that may be due the County (check box 1.a.); a waiver for the monthly notice to be discontinued (check box 2.a.).

Re: Notice to Government Entities Receiving Court Costs and Fines

To Whom It May Concern—

The North Carolina Administrative Office of the Courts (NCAOC) is sending you this notice because you have been identified as a state or local government entity that may receive court costs or fines imposed in criminal and infraction cases. Effective December 1, 2017, government entities “directly affected” by any waiver or remission of court costs and fines are entitled to notice and the opportunity to be heard, through counsel, on any such waiver or remission.¹⁴⁸

By this notice, you are advised that at any setting of criminal court, a court may waive or remit costs and fines. Below is a link to the NCAOC’s online criminal calendars webpage, searchable by county.

<http://www1.aoc.state.nc.us/www/calendars/Criminal.html>

If an entity chooses to send counsel to a session of criminal court, counsel shall notify the courtroom clerk that he or she is present and requests the opportunity to be heard on any waiver.

In the interest of providing both (i) an efficient mechanism for government entities to express their preferences on such waivers without appearing in court and (ii) a single resource that trial court officials may consult about each entity’s position, the NCAOC will maintain a statewide registry of entity responses generated from the form on the back of this notice. The registry will be made available online on February 16th at: <http://nccourts.org/costwaiver>

Any entity wishing to register a standing objection or a lack of objection to waivers/remissions may do so by completing the form on the back of this notice, by and through counsel for the entity, and returning it by mail or email. Entities may also note if they would like to stop receiving these notices from the NCAOC. Entities that do not waive future mailed notices will continue to receive notices monthly. Any objection or lack of objection can be rescinded and replaced at any time by subsequent submission of this form. An electronic copy of this form will be available on the same website as the registry of entity responses.

¹⁴⁸ See Session Law 2017-57, Sections 18B.6.(a) and (b) (<https://www.ncleg.net/EnactedLegislation/SessionLaws/HTML/2017-2018/SL2017-57.html>) for further details.

GOVERNMENT AGENCY STANDING RESPONSE TO WAIVER / REMISSION OF COURT COSTS AND FINES

G.S. 7A-304(a)

Notes to Submitting Counsel:

1. Counsel should submit standing responses only for agencies or political subdivisions for which counsel has clear authority to represent the agency's interests before the trial division, and this response must identify clearly the agency(ies) on whose behalf it is submitted. *E.g.*, a standing response by counsel for a county school board should identify the county board of education clearly as the agency in interest, not merely "County X," as it is unclear whether or not such a response purports to represent the county's interests for court costs to which it might be entitled under G.S. 7A-304 that are not disbursed for the use of the schools.
2. Responses should be submitted by **legal counsel for the agency, only**. To the extent this response may be considered by a court of the trial division, in order to avoid potential unauthorized practice of law by agency personnel not authorized to represent the agency before the courts, responses from non-counsel will not be included in the online registry.
3. Return completed forms with ink signature via mail or email to:
NCAOC – Office of General Counsel
Attn: Court Cost Waiver Standing Response
PO Box 2448
Raleigh, NC 27602
Email Address:
Waiver.Response@nccourts.org
4. Agencies may change their standing response at any time by submission of a subsequent response form, by and through appropriate counsel. A registry of current standing responses will be available online at: <http://nccourts.org/costwaiver>.

AGENCY RESPONSE

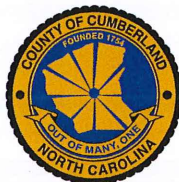

Now comes the above-named government entity, by and through counsel, and requests that the following standing responses concerning waivers or remissions of court costs or fines pursuant to G.S. 7A-304(a) be provided to the trial courts as the agency's position on any waiver/remission of a cost or fine to which the agency may be entitled. This standing response is subordinate to personal appearance by agency counsel at any individual hearing at which such waiver or remission may be considered, in which case the agency's position shall be the one expressed at such hearing, notwithstanding any content of this standing response to the contrary.
