OTHER PUBLIC HEARING

- F. Petition to abandon Bingham Place (SR 3051)

BACKGROUND: Arran Lakes Baptist Church, which owns property adjacent to Bingham Place that runs between Thornwood Place and Bingham Drive, has requested that this portion of Bingham Place be abandoned. A records check by the County Attorney's Office indicates there are no other adjoining landowners, and that NCDOT, the Planning Department and the Lafayette Village Fire Department have no objections to the closing.

SPEAKERS:

B.A. Robinson – concerned that property owners were not given individual notices. Thought his property was touching the Bingham Place.

Mark Robinson – supporting his father. Wants to make sure they will continue to have access to their property.

Dale McDonald – Questions answered. Church did not notify members.

Stanley Carter – New road (Bingham Place) already done. Church is using old Bingham Place property as parking. Just a formality to abandon right of way.

Jerry Eckert – Rose Group – Engineer for project. Mr. Robinson's property does not touch that portion of old Bingham Place that is to be abandoned.

It was ultimately determined that Mr. Robinson's property did not touch the portion of Bingham Place that is to be abandoned, and that Mr. Robinson would have ingress and egress to his property via the new Bingham Place road.

Since then, the DSS Department has submitted comments to some of the policy, i.e., use of the room for lobbying purposes, definition of "excessively loud", the standard that a use policy be consistent with the particular goals and mission of the department may be unintentionally limiting, and the phrase that allows use of a meeting room for training where no fee, or only a nominal fee is charged, conflicts with the provision that a facility's use policy give consideration to reimbursement of staffing or clean-up costs.
