BACKGROUND:

Grant funding allocations for the Home & Community Care Block Grant for Cumberland County have not yet been finalized for FY2017-2018; however, the County has been instructed to use the current funding levels for planning purposes at this time. Mid-Carolina Area Agency on Aging has provided committee recommendations that the service provider allocations be maintained as currently distributed. Backup material regarding the abovementioned information has been provided.

I. Approval of Sole Source for Electronic Audiobook Content as Authorized Under G.S. 143-129(e)(6)

BACKGROUND:

Once Click Digital is a platform that gives patrons access to e-audiobooks. It is hosted exclusively with Recorded Books. If the Library were to change to another platform with another vendor their previously purchased e-audiobook material would be lost and would have to be repurchased.

RECOMMENDATION/PROPOSED ACTION:

Since Recorded Books is the sole source provider for One Click Digital and it would not be cost effective to use another platform through another vendor, management is requesting approval of a sole source exception (GS 143-129)(e)(6) based on a needed product availability from only one source of supply and standardization.

(2) Engineering Services Contract for Solid Waste Management

BACKGROUND:

The Solid Waste Management Department has been utilizing the engineering services of CDM Smith for the last 20+ years. The Solid Waste Manager Director along with the Engineering & Infrastructure Director felt that it would be in the County's best interest to develop a Request for Qualifications (RFQ) for solid waste engineering services for FY 2018. After development of the RFQ, the Purchasing Division of the Cumberland County Finance Department advertised the RFQ in late December 2016 with submittals being due to the on February 3, 2017.

Seven consulting firms submitted their qualifications for review. The qualification packets were reviewed and rated by staff from Solid Waste Management along with Engineering & Infrastructure. Of the seven firms, only one firm had a local presence in Cumberland County. However, most personnel that would be utilized for the services needed by Solid Waste Management are in Virginia. Interviews were conducted with the four highest rated firms in mid-March with staff from both Solid Waste Management and Engineering & Infrastructure. Following the interview process, staff selected the most qualified firm and began discussions about scope of services and fees.

County staff has selected SCS Engineers as the most qualified firm to utilize for engineering services related to the Solid Waste Department. SCS Engineers is a national leader in the solid waste industry and has offices throughout the United States. Cumberland County will be served primarily out of the Raleigh and Charlotte offices. SCS Engineers provides similar services to other counties in North Carolina as well as across the country.

The Finance Committee was asked to approve the Master Services Agreement between SCS Engineers and Cumberland County for professional services related to solid waste. As services are needed, the County would complete a work order outlining the scope of services to be completed by SCS Engineers. The Solid Waste Director has already developed a work order outlining services that SCS Engineers would need to provide Cumberland County for FY 18. This document has been provided. The proposed fees

for the scope of services outlined in Work Order #1 is \$188,100. If additional tasks are identified throughout the year which would require the services of SCS Engineers, then the County would define the scope of services and request a price proposal from SCS Engineers.

This was presented and approved by the Finance Committee on June 8th.

RECOMMENDATION:

The Solid Waste Management Director, Engineering & Infrastructure Director, County Management and the Finance Committee recommend that the Board of Commissioners approve the following recommendations.

1. Approve the Master Services Agreement between SCS Engineers and Cumberland County for professional services related to Solid Waste.
2. Approve Work Order #1 in the amount of \$188,100 for the services outlined in the document.

(3) Amendment to Contract for Workforce Services and Award of Additional Funding

BACKGROUND

Cumberland County receives annual funding from the state to provide workforce development services through the Workforce Innovation & Opportunity Act (WIOA). These services are contracted to Rescare Workforce Services who participates as an integrated team-member at the Cumberland County NCWorks Career Center. The Workforce Development Board has reviewed and approved a request for additional funding from Rescare Workforce Services for the remainder of the contract period which ends November 30, 2017. The total amount of additional federal drawdown funds requested is \$1,154,518 and is broken down further into smaller amounts as follows: \$397,140 for Adult services, \$499,682 for Dislocated Worker services, \$193,272 for Out-of-School Youth services, and \$64,424 for In-School Youth services. These funds are necessary to continue the existing services provided by Rescare Workforce Services through the end of the contract period.

This agenda was presented and unanimously approved by the Finance Committee on June 8, 2017.

RECOMMENDATION/PROPOSED ACTION:

The Workforce Development Board and staff recommend approval of the additional \$1,154,518 to Rescare Workforce Services for all four program areas (i.e., Adult, Dislocated Worker, In-School Youth, and Out-of-School) and to authorize the County Manager to execute the contract amendment.

(4) Health Care Delivery Services at the Cumberland County Detention Center

BACKGROUND:

Details presented during the June 8 Finance Committee meeting were as follows: During the March 20, 2017 Board of Commissioners’ meeting, approval was given to issue a request for proposal (RFP) for the Cumberland County Detention Center’s healthcare delivery services. The RFP was issued on May 10. The original deadline of May 18 was extended to May 24 to allow time for applicants to consider additional information that was brought about by questions and answers generated within the allowed timeframe. Upon receipt, purchasing staff reviewed the proposals, obtained legal advice from the School of Government regarding bid bond exclusion, then compiled the following information:

Proposal Check Sheet
RFP No: 17-25-DC- Detention Center Healthcare Services
Due Date: 5/24/2017 Time: 3:00 PM

Bidders Name	Received by Due Date/Time	Sealed/and Properly Marked	Bid Bond Included	Total Amount
Cape Fear Valley Health System	✓	✓		\$ 5,679,772.40
Correct Care Solutions	✓	✓	✓	\$ 3,998,620.00
Rapha Health Systems	✓			\$ 5,793,468.00
Southern Health Partners Inc	✓	✓	✓	\$ 2,451,300.00
Cumberland County Health Dept	✓	NA	NA	\$ 6,645,240.00

Based on the initial requirements shown on the proposal check sheet, two bidders were compliant in all areas. The RFP review team independently reviewed the responsive bids from Correct Care Solutions and Southern Health Partners as well as the response submitted by Cape Fear Valley Health System. The team then met to collectively assess the bids. Together, the team unanimously selected Southern Health Partners as the lowest responsive and responsible bidder based on the following criteria: price; past performance and experience; and, technical and management. The Sheriff agrees with the recommendation of the review team.

The RFP allowed for: cost share options outside of the annualized pricing; additional charges for increases in the average daily population (ADP) above the base level; pricing amounts over five years (to include annual inflationary increases); and, required a full and complete staffing plan. Mental health service provision was provided in a separate amount. The review team has considered the following to arrive at a first-year proposed contract amount:

Base cost (including mental health service provision)	\$ 2,451,300
Estimated County cost share	300,000
Electronic medical record cost	40,146
Estimated County cost for certain IT expenses	32,000
Estimated charges for increases in ADP above base level	23,850
Advanced care costs - DPS, Central Prison, etc.	200,000
Proposed first year contract amount	<u>\$ 3,047,296</u>

This contract total does not reflect the additional County recurring cost of \$6,500 to provide secure wireless internet access within the detention center. That amount will be reflected in the Detention Center's budget.

The Finance Committee recommended approval and moved that the recommendation for the approval be brought to the Board of Commissioners' meeting for its consideration at the June 19, 2017 meeting.

RECOMMENDATION/PROPOSED ACTION:

Consider following the Finance Committee's recommendation and:

1. Accept the bids for healthcare delivery services at the Cumberland County Detention Center.
2. Award the healthcare delivery services at the Cumberland County Detention Center contract to the lowest responsive bidder, Southern Health Partners, Inc., in an amount not to exceed \$3,047,296 for the first year, with a two percent increase for each additional year (on the base cost and ADP above base level), to be effective July 1, 2017, contingent upon successful contract negotiation.

- (5) Annual Transfer to the Health Insurance Fund for Incurred But Not Reported Claims (IBNR) and Budget Ordinance Amendment B171061

BACKGROUND:

By June 30 of each fiscal year *the County must estimate the dollar amounts of claims for services that have been rendered but not yet billed to BCBS for the fiscal year, known as IBNR-incurred but not reported.* The estimate of fiscal year 2017 IBNR is projected to be close to the same amount as the IBNR amount of fiscal year 2016 because the average claims amount of fiscal year 2017 has not increased. The projected fiscal year 2017 IBNR amount totals \$2,200,000 which requires a budget revision. The fiscal year 2016 IBNR amount was \$2,430,000.

In anticipation of the annual IBNR cost, \$2,500,000 was designated within the FY16 year-end fund balance designations of the general fund, designated for special purposes. A budget revision has been prepared to request the transfer of general fund fund balance totaling \$2,200,000 into the health insurance fund.

RECOMMENDATION/PROPOSED ACTION:

Consider following the recommendation of the Finance Committee and take following action: Approve the fund balance transfer by approval of Budget Ordinance Amendment B171061 to transfer \$2,200,000 out of the general fund and into the health insurance fund.

Please note this amendment requires the use of fund balance.

Commissioner Keefe stated he pulled the above items because over the past few weeks there has been a lot of discussion regarding a \$6 million swing in fund balance, and the above items will require the use of fund balance. Commissioner Keefe asked whether these items had been accounted for or whether they will be in addition to the \$460,000 deficit in fund balance. Ms. Cannon stated Items 2.N.4) and 2.N.5) were incorrectly stated and should state use of current year revenue and not use of fund balance. Vicki Evans, Finance Director, stated Item 2.N.6) requires the use of fund balance and is in addition to the previous stated deficit in fund balance. Ms. Evans stated it is \$127,842 projected and reflects annual leave payouts to employees who will be ruffed as a result of contracting out jail health services. Ms. Evans stated the County budgets for salaries each year but does not budget for annual leave payouts, and there are not enough funds in this organization to handle the additional costs of these annual leave payouts. Ms. Evans stated this is a one-time expense and not recurring.

Commissioner Faircloth stated he would have pulled the above items had Commissioner Keefe not done so because together they totaled \$1.1 million which was a half cent on the tax rate. Chairman Adams thanked Commissioner Keefe for his questions.

MOTION: Commissioner Lancaster moved to approved Items 2.N.4), 2.N.5) and 2.N.6).
SECOND: Commissioner Council
VOTE: PASSED (4-3) (Commissioners Evans, Adams, Council and Lancaster voted in favor; Commissioners Faircloth, Keefe and Boose voted in opposition)

Other Public Hearings

- C. Public Hearing on the Proposed Financing Authorized by G.S. 159-151 and Consideration of Approval to Adopt the Resolution Concerning Final Approval of the Issuance of Bonds to Refund the 2009A Certificates of Participation (COPs) and 2011B Limited Obligation Bonds (LOBs) and Authorize the Execution and Delivery of the Documents Necessary to Finalize this Transaction

BACKGROUND:

At the June 5th meeting, the Board approved a resolution which authorized the filing of an application to the Local Government Commission for this financing. The resolution also documented certain findings that are required for the transaction under G.S. 159-151. Additionally, authorization was given to publish a notice of the public hearing on the proposed installment financing contract.

The advance refunding analysis of the Series 2009A COPs and 2011B LOBs showed that based on today's market, the County has the potential to generate over \$1.5 million in interest rate savings by refunding these two sources of debt in the public market. The total interest savings on the debt is projected to be \$1.5 million over the remaining life of the debt. The aggregate principal amount is not to exceed \$25,000,000 with a true interest cost not to exceed 3.5%, and a final maturity not to extend beyond December 31, 2028.

The LGC meeting for which approval is being sought is scheduled for July 11, 2017.

RECOMMENDATION/PROPOSED ACTION:

1. Hold the public hearing on the proposed financing as authorized by G.S. 159-151.
2. Adopt the resolution concerning final approval of the issuance of bonds to refund the 2009A COPs and 2011B LOBs and authorize the execution and delivery of the documents necessary to finalize the transaction.
