Walk-In Kindergarten Physicals Available 2nd & 4th Tuesdays

FAYETTEVILLE – The Cumberland County Department of Public Health Child Health Clinic has expanded times for walk-in physicals for children entering kindergarten to the 2nd and 4th Tuesdays of each month until the end of the year, from 1 to 7 p.m. Due to the amount of time required for physicals, all patients must be signed in by 5:15 p.m.

State law requires any child entering kindergarten to get a physical. The clinic also provides physicals to students who are new to the North Carolina public school system.

Medicaid, private insurance or self-pay are acceptable forms of payment. Fees for service are based on family size and income. For appointments, call 910-433-3600, extension 1.

In addition to physicals, the Child Health Clinic provides medical screening services for children from birth to 18 years of age. Services include primary care, physical examinations (includes developmental screening), dental varnishing, hearing screening, vision screening, laboratory screening, preventive education and nutritional counseling.

The Health Department is located at 1235 Ramsey St., The Child Health Clinic is on the first floor. For more information, call 910-433-3600 or go to co.cumberland.nc.us/health.
