## **Landfill Now Accepts Credit Card Payments**

FAYETTEVILLE – The Ann Street Landfill and Wilkes Road Treatment and Processing Facility now accept credit card payments for charges of \$5 or more. Major credit cards, excluding American Express, and debit cards are accepted.

Previously only cash and checks were accepted for payment. Customers will now have the flexibility to pay over the phone.

“The new credit card option gives customers a more convenient way to pay and helps improve their overall customer experience,” said Solid Waste Management Director Jerod Roberts.
